WHAT IS BOUDOIR PHOTOGRAPHY?

The word boudoir is French, and it refers to a woman's private dressing room.

It's an intimate place that she has all to herself.

In the same way, boudoir photography is intimate photography taken
for the subject and her (or his) own personal reasons.

For me it is all about celebrating the human form in all its beauty.

It can be fully dressed to full nudity and everything in-between. It is not Glamour
photography that is designed to titillate in an obvious way but something far more
sensual, empowering, suggestive and confidence boosting.

Ladies, Gentleman, Couples...leave your inhibitions at the door and
enter the Boudoir.

W H Y B O U D O I R ?

There are many reasons to have a boudoir session.

To celebrate a milestone birthday, after a break up, as a gift for your partner (maybe your wife or husband to be), to promote body confidence to your children or simply just because.

Boudoir helps a person celebrate them-self,
and see them-self through someone else's eyes.

I always like to think of my clients looking back at their photos when they are 90, and having a wee smile about their beautiful youth, be that their 20's or 70's!

Do it for you!

WHAT TO EXPECT

To have fun!

When you arrive at my comfy home studio you will be met by myself and introduced to Carla my amazing, professional make up artist. She will spend around 30-40 minutes doing your hair and make up whilst you sip on some bubbles (or something non-alcoholic). We will discuss your outfits, your wants and get you comfortable to create a perfect look just for you.

H A I R A N D M A K E U P

My make-up artist will focus on what you want to show off and will make sure your hair is natural and can be played with! I recommend you plan to meet friends and go out after your shoot as you will look and feel amazing.

Choose outfits that make you feel beautiful. Boudoir doesn't need to be typical lingerie.

Oversized sweaters and stockings or tight jeans and an off the shoulder tee shirt can look just as sexy as the most sultry lingerie outfit. Whatever makes you feel beautiful will photograph perfectly! Don't be afraid to bring more than a few outfits. We can always decide during the session! I will send out a full prep guide before the session to help you decide what to bring.

LOVE AFTER LOVE

Derek Walcott

The time will come
when, with elation
you will greet yourself arriving
at your own door, in your own mirror
and each will smile at the other's welcome,

and say, sit here. Eat.

You will love again the stranger who was your self.

Give wine. Give bread. Give back your heart
to itself, to the stranger who has loved you

all your life, whom you ignored
for another, who knows you by heart.

Take down the love letters from the bookshelf,

the photographs, the desperate notes,
peel your own image from the mirror.

Sit. Feast on your life.
